Ebook: Crafting and Executing Strategy Alex Janes 2017-02-16 This new edition of *Crafting and Executing Strategy* continues to provide a valuable resource for European readers while embracing new and updated core concepts and key theories in strategy. Throughout the text you will find a range of examples that illustrate how strategy works in the real world and encourage the practical application of learning. Complementing the chapters is a section of new cases providing in-depth analysis of the challenges of strategic management at a range of companies. This edition includes: • A new 6Ds framework, allowing readers to structure their approach to strategic management around the fundamental elements of the strategy process (Diagnosis, Direction, Decisions and Delivery) and the context within which that process is managed (Dynamism and Disorder). • Opening cases that begin each chapter and feature real-life business scenarios from companies such as Tinder, Ikea and Victorinox, introducing strategic concepts and theories. • Illustration Capsules, which have been updated to illustrate contemporary business concerns and demonstrate how companies have reacted strategically, increasing understanding of successful strategies. Companies featured include Burberry, TOMS, Aldi, Novo Nordisk and more. • Key Debates that stimulate classroom discussion and encourage critical analysis. • Emerging Themes that present contemporary strategic opportunities and issues such as ripple intelligence and technology and new organizational structures. • A Different View encouraging readers to appreciate differing viewpoints on strategic concepts and theories. • End of chapter cases that capture each chapter's main theories through engaging cases on companies such as Adidas and Nike, Lego and Uber. • New recommended reading at the end of each chapter which help to further knowledge, including classic texts and advanced reading, and author notes providing context. *Connect* is McGraw-Hill Education's learning and teaching environment that improves student performance and outcomes while promoting engagement and comprehension of content. New for this edition are interview-style videos, featuring author Alex Janes in discussion with business leaders, exploring how organizational strategy has developed within companies as diverse as Jeep, Levi Strauss, Novo Nordisk and a prestigious oil and gas company. The videos are provided in full-length or in segments, with questions aimed at encouraging classroom discussion or self-testing. This new edition is available with SmartBook, McGraw-Hill Education's adaptive, digital tool that tests students' knowledge of key concepts and pinpoints the topics on which they need to focus study time. *Crafting and Executing Strategy* is also available with both *The Business Strategy Game* and *GLO-BUS* – the world's leading business strategy simulations.

The Merger & Acquisition Leader's Playbook George B. Bradt 2022-09-14 Make your next merger or acquisition one for the ages Meant to create value potentially fueled by synergies, the reality is that most mergers and acquisitions fail. It's estimated that 83% of mergers and acquisitions do not hit their desired results. The *Merger & Acquisition Leader's Playbook* tells you why most mergers fail. More importantly, it tells you how to make your next one a sweeping success. In the book, a team of private equity experts deliver a masterful walkthrough of how to integrate organizations by driving commercial success, instead of focusing purely on cutting costs. Readers will find: Concrete strategies for increasing the odds of success and reducing the risk of failure - of a new merger or acquisition A comprehensive, easily deployed and implemented plan to realize synergies Proven tools, techniques, and tricks of the trade to help leaders stay on top of their latest merger and keep everything on track A must-read resource for business leaders considering a fresh merger or acquisition, *The Merger & Acquisition Leader's Playbook: A Practical Guide to Integrating Organizations, Executing Strategy, and Driving New Growth after M&A or Private Equity Deals* will also earn a place in the libraries of investors, agents, corporate service providers, and consultants trying to get two or more businesses to pull in the same direction.

Product Roadmapping C. Todd Lombardo 2017-06-25 A good product roadmap is one of the most important and influential documents an organization can develop, publish, and continuously update. In fact, this one document can steer an entire organization when it comes to delivering on company strategy. This practical guide teaches you how to create an effective product roadmap, and demonstrates how to use the roadmap to align stakeholders and prioritize ideas and requests. With it, you'll learn to communicate how your products will make your customers and organization successful. Whether you're a product manager, product owner, business analyst, program manager, project manager, scrum master, lead developer, designer, development manager, entrepreneur, business owner, this book will show you how to: Articulate an inspiring vision and goals for their product Prioritize ruthlessly and scientifically Protect against pursuing seemingly good ideas without evaluation and prioritization Ensure alignment with stakeholders Inspire loyalty and overdelivery from their team Get your sales team working with you instead of against you Bring a user- and buyer-centric approach to planning and decision-making Anticipate opportunities and stay ahead of the game Publish a comprehensive roadmap without overcommitting
