The Autobiography Of Henry VIII Margaret George 2011-12-12 This is the story of England's most famous, and notorious, king. The facts of Henry VIII's life and reign were more astonishing, poignant and outlandish than the plot twists of most fiction. Henry's character was complex: he was a charismatic, ardent – and brash – young lover who married six times; a scholar with a deep love of poetry and music; an energetic hunter who loved the outdoors; a monarch whose lack of a male heir haunted him incessantly; and a ruthless leader who would stop at nothing to achieve his desires. His monumental decision to split from Rome and the Catholic Church was one that would forever shape the religious and political landscape of Britain. Combining magnificent storytelling with an extraordinary grasp of the pleasures and perils of power, Margaret George delivers a vivid portrait of Henry VIII and Tudor England and the powerhouse of players on its stage: Thomas Cromwell, Cardinal Wolsey, Thomas More and Anne Boleyn. It is also a narrative told from an original perspective: Margaret George writes from the King's point of view, injecting irreverent comments from Will Somers – Henry's jester and confidant.

Rewriting Harry Potter T. M. Caufield 2015-05-20 Once a child writing prodigy, Jessica finds herself all grown up and desperate to be considered one of the greatest writers of all time. So when a major Hollywood studio hires her to rewrite "Harry Potter," one of the most popular sagas of all time, she sees no better way. But first, convinced that her "abnormal" background might stand in the way of her writing something that "normal" people can relate to, Jessica quickly leaves Hollywood in a quest to immerse herself in how "the other side" lives. It doesn't take long, however, for her to realize that becoming common isn't as simple as she thought it would be. And before she can write "FADE OUT!" she must decide if she is really willing to pay the price to achieve true greatness.

Frankenstein Mary Shelley 2021-05-23 Frankenstein is the classic gothic horror novel which has thrilled and engrossed readers for two centuries. Written by Mary Shelley, it is a story which she intended would ‘curdle the blood and quicken the beatings of the heart.’ The tale is a superb blend of science fiction, mystery and thriller. Victor Frankenstein driven by the mad dream of creating his own creature, experiments with alchemy and science to build a monster stitched together from dead remains. Once the creature becomes a living breathing articulate entity, it turns on its maker and the novel darkens into tragedy. The reader is very quickly swept along by the force of the elegant prose, the grotesque, surreal imagery, and the multi-layered themes in the novel. Although first published in 1818, Shelley's masterpiece still maintains a strong grip on the imagination and has been the inspiration for numerous horror movies, television and stage adaptations.

English Sentence Constructions Marjolijn H. Verspoor 2022-08-15 English Sentence Constructions departs from a usage-based theoretical perspective in which all language units – which we refer to as constructions -- have both a meaning and form, and context is all-important in determining the function and form of these constructions. As a starting-level module, English Sentence Constructions guides students of English or Language at tertiary level through different levels of analysis at the sentence, clause, phrase, and word level. The book starts with an explanation of different sentence types and structures (Chapters 1 and 2), zooms in on the verb phrase as the central component of any sentence (in Chapters 3 and 4), before zooming in even closer, discussing word classes (Chapter 5) and phrases (Chapter 6). The next two chapters explicate the intricacies of sentence constituents that function as clauses (Chapter 7) and aid students in integrating all chapters by discussing sentence analysis at all levels (Chapter 8). The last chapter (Chapter 9) shows how knowledge about sentence constructions can be applied to effective writing in English. English Sentence Constructions can be used in teacher-led modules, but the many exercises in each chapter, the clearly worked out answer keys, and a comprehensive glossary of terminology also make it suitable for self-study. For each chapter, there is an online test in which students can check their understanding.

Learning to Write as a Hostile Act for Latino Students Raul E. Ybarra 2004 Cultural differences play a part in communication breakdowns between students and teachers, and only a complete understanding of the model that English instructors use when teaching writing gives us an insight into the reasons why. This book observes and analyzes the communication patterns of Latino students in an English course at the college level, closely observing the interaction between Latino students and the teacher, as well as between Latino students and other student groups in the class. Learning to Write as a Hostile Act for Latino Students concludes that cultural differences - and the resulting miscommunications - significantly contribute to the negative impressions Latino students have about the writing process and English courses. Understanding these differences is crucial to improving the teaching of writing to Latino and other minority students. *Views and Reviews* Henry James 1908

Centerline Dave McIntyre 2013-05-30 WINNER -- Best Military Book -- 2013 Next Generation Indie Book Awards WINNER -- Gold Medal for Historical Fiction / War -- 2013 Stars & Flags Book Awards Finalist -- First Novel -- 2013 Next Generation Indie Book Awards "Centerline is a thrilling, high-action page-turner that captures a story many Americans fail to appreciate-the sacrifices of our armed forces, their families, and the medical teams who support them. The tactical flight operations, ground combat scenes, and medical emergencies are real-not Hollywood-and the stories of wounded warriors and those waiting at home are unforgettable." - General Bill Begert, USAF (Ret), Former Commander, Pacific Air Forces Centerline tells the arresting story of the last leg of an emotional journey through the eyes of wounded warriors, crew, and medical caregivers making the trip home from military hospitals just before Christmas at the height of the surge in Iraq. Air Evac 1492 is the collective Air Force call sign for the flight. But each person on board has an individual story of hopes, dreams, fears, and regrets as the aircraft wings its human cargo through bad weather, flashbacks, and in flight emergencies. "Everybody who goes to war gets shot," one soldier says. "Some in the body. Some in the head. Some in the heart." This inspiring debut novel by Dave McIntyre (Ret COL USA) combines compelling technical descriptions of flying, combat, and medical care in-flight to drive the story through a rollercoaster ride of emotions as thirty-one "souls on board" travel through pain, loss, a killer storm, and the demons of the past to make it home for Christmas. Some travelers will fall short of the runway. And some will find the beacon that leads them home-back to the centerline. Rosen 2015-04-17 These 18 stories probe the lies and secrets, the "fictions" in the lives of parents and children, siblings, Germans and Jews, confused adolescents, and elderly lovers. ...".The actors in these beautiful, often sad stories carry with them complex histories of desire and pain, often longing for what they can't or shouldn't have. You've met them, fathers and mothers, daughters, sisters, uncles, lovers, presented here with humor and dignity, with a keen and dispassionate eye, reminiscent of another great Canadian storyteller, Rosen's cast will surprise you, instant by instant." - Daniel Coshnear, Occupy & Other Love Stories "In Rosen's book, amidst gorgeous imagery, people we care about stumble through attraction and betrayal. And move over Portnoy, with your raw liver in a milk bottle. Let a girl show you how it's done. The title story contains the most imaginative portrayal of self-pleasuring you'll ever read." - Norma Watkins, The Last Resort: Taking the Mississippi Cure "A young woman prepares to declare her independence from her parents only to discover that her mother is secretly struggling for her own autonomy; a free-spirited bartender deftly plays off the two women who try to hold him; an elderly husband tries to protect a favorite vacation spot from the encroachments of youth and time. Each situation opens a window onto another universal aspect of human character. Children, young people and the aged all have a voice here, and almost every one of them either hides a secret or uncovers someone else's. Rosen's writing is crisp and precise. Without a single excess word she paints a series of varied pictures ranging from the German countryside, a working-class Toronto neighborhood, or the American open road. Each story is a pleasure to read, and the collection as a whole demonstrates Rosen's talent in a dazzling variety of times, places and themes." - Ruhama Veltfort, Strange Attractors

Benevolent Devon Trearrow Flaherty 2013-02 Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

Marching to a Different Accordion Saxon Bennett 2011 Chase Banter had thought she'd adjusted completely to the demands of parenthood. She's not disconcerted by her four-year-old daughter building the city of Athens with Legos, or the first encounter with the PTA. Her writing career has hit bumpy roads on her latest tour, though, and then things don't go so well when denizens of the PTA mention book and banning in the same sentence. Her best friend forever Lacey has a plan. It's simple: worldwide domination. Gather all the sisters-in-arms together, empower them to be their inner lesbian superhero and take over. Even if it takes a couple of months, the outcome would be just what the world needs. It's a Lesbian Nation rumble as they raise the forces of revolution. Girlfriends, family, co-workers and especially the PTA aren't going to know what hit them. Saxon Bennett's tongue-in-cheek take on Chase Banter's quirky lesbian life won a Golden Crown Award for Family Affair. Join the revolution and begin Marching to a Different Accordion. Superpowers not mandatory.

Desert Journal Ruth Weiss 2012-04-03 Poetry. Drawings by Paul Blake. Originally published in 1977 by Good Gay Poets of Boston. "A book whose page has come. ruth weiss has been sounding these poems, alone or with jazz accompaniment, for many years. It's now ocheny chorosho that they appear for the senses of those potential poets searching for new modulations of expression; for her poems are of the rhythms of our time and the interlaced, repetitive subtleties are sewn by that 'thread for those who breathe in rags' (Vallejo) which bespeaks and sings the deep loom of the bronze lotus."—Jack Hirschman
