This sexy amnesia love triangle is intended for mature readers. They tell me that was a year ago, but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me, and this much-thinner body I’ve dreamed of most of my life. Sister Lost Brenda Lyne 2021-09-14 *Sister Lost* is a mystery/suspense novel that was inspired by the true story of Latanisha Carmichael, a toddler who was killed by her own mother in 1979 and her body hidden in a closet for twenty years. The Model Harlow Layne 2021-01-08 The moment I heard Ryder's voice I was a goner. As a photographer, I was used to working with beautiful people, but Ryder Williams was the most perfect male specimen that had ever stood before me. I knew without a doubt it would take no time at all for him to be the next big thing... or for him to steal my heart. Model and photographer, we shouldn't cross that line, but there was no stopping the passion we felt. Nothing else mattered. Not the age difference. Not that he was a client. Not even our pasts. After my assistant caught us together, he was gone. I tried to put him out of my head, until fate threw him back into my life and my bed. Time and time again we're brought together, should I keep fighting or finally accept what my heart wants? *The Model* is a stand-alone in the Love is Blind series. The series has crossover characters from each novel. It is not required to read the books in order, but it is recommended to enhance the reading experience.

Ugly Love Colleen Hoover 2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.
