The Mary, Queen of Scots Colouring Book

Roland Hui 2019-03-05 Queen of Scotland by birth, Queen of France by marriage, and Queen of England by right (some said), the life of Mary Stuart (1542-1587) was the stuff of legend. A monarch at only six days old, Mary's early years were spent at the glittering court of France. Pampered and indulged, she was little prepared for what lay ahead upon her return to Scotland to take up the reins of power. Murder, scandal, and betrayal would send her fleeing to England to seek the help of her cousin, Queen Elizabeth. Mary's fateful journey, which began with so much hope, would lead to her greatest tragedy. Roland Hui, author of *The Turbulent Crown - The Story of the Tudor Queens*, and artist Dmitry Yakhovsky have come together to create a beautiful colouring book which will be enjoyed by all ages. In *The Mary, Queen of Scots Colouring Book*, Roland Hui's text introduces the characters, events, and places of this absorbing drama, while Dmitry Yakhovsky's stunning artwork and your colouring bring them to life. Relax, unwind, and express yourself while learning about the exciting and moving life of the fascinating Mary Stuart.

A Court of Silver Flames Sarah J. Maas

2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The

one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

1985-01-01 Tegninger, som kan farvelægges **The Colour of Time: A New History of the World, 1850-1960** Dan Jones 2018-08-09 The top five Sunday Times bestseller. 'Breathtaking' Daily Mail. 'Astonishing' Sun. 'Shimmering' Spectator. 'Extraordinary' Daily Telegraph. The Colour of Time spans more than a hundred years of world history from the reign of Queen Victoria and the US Civil War to the Cuban Missile Crisis

and beginning of the Space Age. It charts the rise and fall of empires, the achievements of science, industry and the arts, the tragedies of war and the politics of peace, and the lives of men and women who made history. The book is a collaboration between a gifted Brazilian artist and a leading British historian. Marina Amaral has created 200 stunning images, using contemporary photographs as the basis for her full-colour digital renditions. Dan Jones has written a narrative that anchors each image in its context, and weaves them into a vivid account of the world that we live in today. A fusion of amazing pictures and well-chosen words, *The Colour of Time* offers a unique - and often beautiful - perspective on the past.

Seeking Sanctuary Shannon McSheffrey 2017-06-23 Seeking Sanctuary explores a curious aspect of premodern English law: the right of felons to shelter in a church or ecclesiastical precinct, remaining safe from arrest and trial in the king's courts. This is the first volume in more than a century to examine sanctuary in England in the fifteenth and sixteenth centuries. Looking anew at this subject challenges the prevailing assumptions in the scholarship that this 'medieval' practice had become outmoded and little-used by the fifteenth and sixteenth centuries. Although for decades after 1400 sanctuary-seeking was indeed fairly rare, the evidence in the legal records shows the numbers of felons seeing refuge in churches began to climb again in the late fifteenth century and reached its peak in the period between 1525 and 1535. Sanctuary was not so much a medieval practice accidentally surviving into the early modern era, as it was an organism that had continued to evolve and adapt to new environments and indeed flourished in its adapted state. Sanctuary suited the early Tudor regime: it intersected with rapidly developing ideas about jurisdiction and provided a means of mitigating the harsh capital penalties of the English law of felony that was useful not only to felons but also to the crown and the political elite. Sanctuary's resurgence after 1480 means we need to rethink how sanctuary worked, and to reconsider more broadly the intersections of culture, law, politics, and religion in the years between 1400 and 1550.

Stormbird Conn Iggulden 2013 In 1437, after years of regency, the pious and gentle Henry VI, the Lamb, comes of age and accedes to the English throne. His poor health and frailty of mind render him a weakling king - Henry depends on his closest men, Spymaster Derry Brewer and William de la Pole, Duke of Suffolk, to run his kingdom. Yet there are those, such as the Plantagenet Richard, Duke of York, who believe England must be led by a strong king if she is to survive. With England's territories in France under threat, and rumours of revolt at home, fears grow that Henry and his advisers will see the country slide into ruin. With a secret deal struck for Henry to marry a young French noblewoman, Margaret of Anjou, those fears become all too real. As storm clouds gather over England, King Henry and his supporters find themselves besieged abroad and at home. Who, or what can save the kingdom before it is too late?

Jasper Tudor Debra Bayani 2015-02-26 New, fully revised and edited edition. Jasper Tudor, born in secrecy in 1431, rose to become one of the key supporters of King Henry VI during the difficult period of English history known as the Wars of the Roses. Devoted to the Lancastrian cause and to his nephew Henry Tudor, Jasper's loyalty led him through a life full of adventure. When he was just six years old, Jasper's life was changed dramatically by the death of his mother, the dowager queen Katherine de Valois, and the arrest of his father Owen Tudor soon afterwards. Jasper and his older brother Edmund were called to court and by 1452 they became the first Welshmen to be elevated to the English peerage. Sadly, Edmund died in captivity in 1456, leaving Jasper to protect his brother's child, the future king Henry VII. Jasper's dedication to the Lancastrian cause took him through many of the well-known battles of the Wars of the Roses, including the historic victory at Bosworth. It is clear that Henry VII owed an enormous part of his success in claiming the throne in 1485 to his uncle, who was his closest adviser, confidante and mentor. In this detailed biography, Debra Bayani clearly shows that Jasper Tudor was a key figure in the tumultuous history of England, detailing his life from his birth in 1431 to his death in 1495. He can rightly be called the "Godfather of the Tudor Dynasty." This edition includes a comprehensive appendix with contemporary Welsh poems translated into English for the first time, and many full page illustrations.

A Court of Wings and Ruin Sarah J. Maas 2017-05-02 The epic third novel in the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas. Feyre has returned to the Spring Court, determined to gather information on Tamlin's actions and learn what she can about the invading king

threatening to bring her land to its knees. But to do so she must play a deadly game of deceit. One slip could bring doom not only for Feyre, but for everything-and everyone-she holds dear. As war bears down upon them all, Feyre endeavors to take her place amongst the High Fae of the land, balancing her struggle to master her powers-both magical and political-and her love for her court and family. Amidst these struggles, Feyre and Rhysand must decide whom to trust amongst the cunning and lethal High Lords, and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times bestselling series from Sarah J. Maas, the fate of Feyre's world is at stake as armies grapple for power over the one thing that could destroy it.

Audubon's Birds of America Coloring Book John James Audubon 1974-01-01 Including the red-winged blackbird, painted bunting, wood duck, great blue heron, ruby-throated hummingbird, purple finch, and blue jay, 46 different species of birds from all parts of the United States are included in this book. The pictures have been faithfully redrawn by Paul E. Kennedy from originals by John James Audubon (1785-1851), the most famous American painter-naturalist. For each species, the caption supplies the modern common and scientific names and the current range (by general region). No distinction is made between breeding range and winter range. Only the area of the United States, exclusive of Alaska and Hawaii, is considered. The birds shown are usually adult males when the caption does not give the information on age and sex. Audubon's original plates, numbered to correspond to the pages of the book, have been reproduced in color on the covers. If you follow them, you will not only have a great deal of coloring pleasure, but you will also learn how to identify many important birds.
